

Environmental Policy

Digimock Limited recognises it has a responsibility to the environment beyond legal and regulatory requirements.

We are committed to reducing our environmental impact and continually work to improve our environmental performance as an integral part of our business strategy and operating methods.

Responsibilities

The Quality Manager is responsible for ensuring that this environmental policy is implemented, however all employees and associates have a responsibility whilst carrying out their duties for and on behalf of the company, to ensure the aims of this policy are met.

Policy Aims

Digimock will endeavour to;

- ✓ Comply with all relevant regulatory requirements
- ✓ Increase awareness of this policy within the company
- ✓ Minimise waste by evaluating operations and ensuring they are as efficient as possible
- ✓ Actively promote recycling both internally and amongst its customers and suppliers
- ✓ Source and actively promote product ranges that can minimise the environmental impact of both production and general use of packaging
- ✓ Review this policy in accordance with any regulatory changes and in line with company changes
